2023 PRIMARY BENEFICIARY

National Alliance on Mental Illness

NAMI Rochester envisions a world where stigma is no longer a barrier to treatment, support is readily available, and mental illness is universally accepted as a treatable medical condition.. NAMI offers support groups and educational opportunities to support their mental health revolution. NAMI Rochester believes mental illness, substance use disorder, and suicidal thoughts/actions are inextricably linked.

ABOUT MEG'S GIFT

The mission of MEG's Gift is to positively impact mental health care in the Rochester community through financial support, education and advocacy. Our vision is for a more loving community that better understands, accepts and helps individuals suffering with mental illness.
